

Dear Parents,

One again this year St. Catherine School has partnered with Creative Therapy for counseling services.

It is our intent to utilize our counselor with students on a one-to-one basis as well as in the classroom. Students may be recommended by classroom teachers and other staff to aid them in areas that pertain to being a successful student. If such a recommendation is made the parent will be notified. In addition, if you feel there is a specific topic you would like addressed with your child, please contact his/her teacher. Such topics could include: self-esteem, organization, social skills, respect for authority etc.

I give \_\_\_\_\_ permission to see the school counselor outside of the regular class time.

I DO NOT give \_\_\_\_\_ permission to see the school counselor outside of class at this time.
